- Concrete 03 storey building having lush green lawns in and around.
- A spacious Dining Hall is used to serve breakfast, lunch, tea and dinner
- Enough care is taken to provide the Boarders hygienic, nutritious and quality food.
- For supervision of Mess facilities a committee has been constituted which includes a Mess secretary (student member), Mess manager (representing Hostel administration) and some students.
- The participation of the students in the committee maintains transparency of the Mess affairs of the Hostel.
- The daily menu is being decided by the Girl Boarders themselves.
- General attendance of the Boarders is checked prior to the serving of the dinner.
- The rooms are well furnished.

- Every wing of the Hostel is provided with proper washrooms.
- A generator point is provided in every room power supply in case of power cuts.
- The Aqua guard facility provides pure drinking water on every floor of the Hostel.
- The common room is provided with a television set connected with cable network. Besides the room has the facility of Table Tennis.
- Keeping in view the fitness component, a gym has been introduced with electric treadmill and magnetic cycles for exercise purposes.
- The Reading room has career oriented books for NET/SLET and Civil Services.
- Besides this we provide a number of local/national newspapers and magazines like Readers Digest, India Today, Frontline, Femina to the Boarders.
- The Reading room is being supervised by a caretaker.
- A waiting room is made available at the main entrance to facilitate the parent-boarder meet.
- Tuck Shop caters to the basic day to day needs of the boarders.
- Facility of a deep freezer is also available to keep the food fresh during hot summers.
- Above all enough care is taken to make boarders feel at home.
